## ONE-PIECE & TWO-PIECE FIRESUITS

AEGIS1

### EN469

Inherently flame-retardant  
NOMEX III outer shell.

High performance  
Pnw/Fibre liner system which  
is inherently  
flame and water resistant.

Exceptional thermal  
resistance, lightweight and  
comfortable.

*Both garment options offer  
outstanding protection, yet  
are light and very  
comfortable.*
